

Cookie Policy - Relaxess

Effective Date: June 30, 2026

Last Updated: June 30, 2026

1. Introduction

Relaxess (“we,” “us,” “our,” or “Company”) uses cookies and similar tracking technologies to enhance your experience with our mobile application and website. This Cookie Policy explains what cookies are, how we use them, and your choices regarding their use.

2. What Are Cookies?

Cookies are small text files stored on your device that contain information about your browsing activity. They help websites and apps remember your preferences and improve functionality.

Types of Cookies

Session Cookies: Temporary cookies that expire when you close your browser or app

Persistent Cookies: Cookies that remain on your device until they expire or you delete them

First-Party Cookies: Cookies set by Relaxess directly

Third-Party Cookies: Cookies set by third-party services we use

3. How Relaxess Uses Cookies

3.1 Mobile Application

The Relaxess mobile app uses **local storage** (similar to cookies) to store:

- **User Preferences:** Language, theme (light/dark mode), audio settings
- **Session Information:** Subscription status, login state
- **Application Data:** Saved preferences and settings

Note: The mobile app does NOT use traditional HTTP cookies. Instead, it uses the device’s native secure storage:

- **iOS:** Keychain and UserDefaults

- **Android:** SharedPreferences and Keystore
